GENERAL INDEX

A. & P. establishes Iowa creamery, 536
Abandoned farms, trees on, 449
Aberdeen-Angus winter show and sale, 356
Abortion battle, win the, 1502
blood test—Cattle shipper's experience, 206
Accredited cattle—A shipper's experience, 206
Activities of the young folks, 200
Adapted alfalfa seed and how to secure it, 501
Advocate alfalfa in rotation, 783
Against a tariff, 538
high taxes, 380
Agricultural Publishers' Association—Prizes offered to farm boys and girls, 1514
Air weight, is dry or damp heavier, 355
Airplane, big game counted by, 523
hangar of baled hay, 644
Ak-Sar-Ben—Lining them up at Omaha, 1624
Alaska—Big game counted by airplane, 523
farm problem, an, 187
Alfalfa, cut at noon in early June, 817
disking, 1048
experiments with Ladak, 713
Illinois acreage, 732
in corn, 998
in rotation, advocate, 783
in the winter, don't spread lime on, 10
Legume contest for Iowa high schools, 683
needs firm seed-bed, 1084
seed, adapted, and how to secure it, 501
seed shortage, new lines for Oklahoma, 568
seedlings—Visits in the country, 1371
Turkestan, defends, 534
will Ladak supersede Grimm? 758
Allen-Patterson bill—Military training, 422
All-meat diet in New York, studying an, 1482
Amended statement of ownership and management of Wallaces' Farmer, 1034
American Country Life Association—Goals of country life, 1368
Farm Bureau—Bureau hails brighter days, 1820
Indian holds corn breeding record, 726
lordships, 333
Royal show, 1609
Ames farm and home week, 214
pig contest, $750 cash prizes, 1036
short course, spending a day at, 200
Angus history, Sanders', 118
Animal disease—Shipping fever, controlling, 160
Another side of Old India, 244
Ant damage easily prevented, white, 1535
Apple trees, pruning, 356
Apples—Kinds of fruits to plant, 334
more from fewer trees, 925
Applying lime, 760
Are our brains starving? 821
Arkansas localisms, 1664
Around the world with Flood, 8
Asphalt on barn floors, 591
Assessed land values in Iowa counties, 1664
Assessing problem, 44
Auto operation, effect of road surfaces on, 965
rims, keeping from rusting, 85
Automobile registrations, record in new, 1021
Avoid mixups in truck shipments, 1048
Azoturia treatment, 575
Babies did well, yes, grandma's, 3
Baby pig vaccination, 749
beeves, corn silage for fattening, 1660
beeves go on parade, when Iowa's, 1169
Baby's schedule, your, 13
Bacillary white diarrhea, ration affects, 1414
Bad grazing increases weeds, 1082
Barley outranks oats, 356
production increases, 523
records, smooth awned, 672
scab, treatment for, 270
to cattle—What corn belt farmers are discussing, 1396
Treating seed grain, 351
vs. corn for fattening steers, 221
Barn floors, asphalt on, 591
posts, repairing rotted, 165
Battery, nothing but pure water, 868
terminals, watch your, 1553
Battle of April 12, 656
Beef cattle, making money in feeding, 581
cow or dairy, 645
outlook, present good, 869
vs. dairy form, 626
Bees and sweet clover, 1238
don't "starve" the, 677
move, making, 867
spring cold bad for, 605
winter losses heavy, 611
Beetles, cucumber, 867
Beginning with the kitchen, 282
Berries, "fresh" year around, 869
Better herd association nets members $875 in one month, 1013
Beware of carbon monoxide, 224
Big game counted by airplane, 523
Bindweed, smothering, 963
Bird imports, new record set, 448
Birds, autoists kill, 1335
Black succeeds Holmes, 563
Blackstrap molasses fight, no effective tariff increases to be allowed, 816
Blast stumps in spring, 575
Bloat, preventing, 351
Bloody milk, 1454
Boar, feed and exercise your herd, 1773
Board meets July 15, 1000
Boiled potatoes vs. raw potatoes, 977
Bonds—Road building money, where it comes from, 183
Book clubs, starting, 562
Book reviews—
"American Lordships," 333
"Cooperation in Agriculture," 242

"The Story of Radio," 783
Books to read, more good, 562
Boosting the corn yield, 563
Bordeaux—Hybrid corn wins, 196
Bots and nose flies, 239
Boy-father partnership—
From an old Kentucky farmer, 701
How can he do it? 543
Pay the boy wages, 658
Those terrible boys, 658
Give us your views, 534
Boys' and girls' club—Two hundred show pigs, 1171
and girls' colts at Iowa state fair, 869
Brands, premiums on registered only, 1225
Bread as it should be, 1171
Breeding hogs for profit, not for looks, 151
Brood sows, handling the, 162
sows, picking the best, 1552
sows, soybeans to balance corn, 575
Brooding and hatching electrically, 365
Brookhart says Hoover measure inadequate, 688
Buck brush, fighting, 1434
brush, help wanted in fighting, 1373
brush, sheep for, 1534
Buckhorn creamery made good, why, 536
Bull-nose is contagious, 751
Build $4,000,000 elevator, 403
Building—
Farm home, fixing up, 119
Home from a schoolhouse, 1662
Ladder, brush and paint, 1172
Location aids fire safety, 517
"Made-overs," 1172
Modern home equipment, 494
Puzzles in building, 1046
Send in your story, 1046
Small but spacious house, 1430
Building up a background, 341
Buildings, keeping warm, 374
new research work on farm, 1338
Help the stock to stop shivering, 1530
Bull by his daughters, measuring a, 1483
Butchering—Keeping home cured meat from spoiling, 76
Butter, Canadians eat most, 358
or market milk? 344
production picking up, 19
Buying cottonseed products, 229
cows, a few pointers on, 96
lime cooperatively, 523
Calcium chlorate safe weed killer, 972
California, foot and mouth disease in, 221
Calves, cake and corn for, 1666
dehorning, 464
from Texas, shrinkage on, 695
is it best to crowd all the way, 1093
ringworm in, 785
wintering, 829
wintering fall, 1513
Camping trip, keeping comfortable on a, 938
Can sow sweet clover now, 183
we do anything to cut down taxes? 490
we raise nuts in the corn belt? 372
you tell what's under a hog's skin? 969
Canada canal—New Welland in 1930, 672
Electricity in the country, 263
elevators in, 220
Fur farming big industry, 808
immigration to, 1085
Ontario's cheap electricity, 552
still homesteading, 313
Rural schools in Alberta to be consolidated, 516
water route for western, 643
Woman heads egg pool, 402
wool harvest, 985
Canadian producers of surplus crops favor tariff reduction, 758
trip of Guy Bush, 933
wheat pool, 404
wheat pool elevators, 828
Canadians build $4,000,000 elevator, 403
eat most butter, 358
want government radio, 983
Canners, station to help, 229
Car cleaning, 738
Carbon monoxide, beware of, 224
Carcass tests—Fast gains may not bring most money, 1327
Car-lot baby beef contest, results, 416
Carrying on the fight, 493
Cats, when I threshed, 1500
Cattle—Barley vs. corn for fattening steers, 221
beef, feeding of oats and barley, 1020
beef, making money in feeding, 581
bloat on sweet clover, do your, 727
breeding, seventy-five years of, 1195
breeding—Trebling the profit per cow, 1577
favors dual-purpose, 904
feeders' day, Minnesota, 625
feeders get tips at car-lot baby beef contest, 416
feeding bulletin, new, 847
feeding in Lucas county in 1864, 458
feeding in South Dakota, 1068
feeding—Protein feed plus hay, 1537
losses, sodium chlorate may cause, 925
market, the trouble with the, 475
prices, 383
prices—How will the feeder fare? 1473
shipper's experience, 206
sore eyes in, 1535
sore feet in, 785
Cellars, ventilating, 801
Champion farm woman sought, 925
Chance to bray, the, 250
Changing corn acreage, 998
Changing programs to make money, 837
Chart—Beef cattle prosperity, 239
Commercial corn winnings at Ames, 202
Cheapest to grind feed at home, 241
Cheese grading service in Wisconsin, 965
Chicken thief went to roost, when the, 1742
Chickens and worms, thin, 58
Chicks and cold weather, 471
a chance to live, give the baby, 532, 559
getting the right kind of baby, 274
what are you feeding your baby? 417
Child discipline—Building up a background, 341
healthy, is the one that learns, 278
a sound heart for every, 198
Chimney clean, keep the, 1300
Chlorates kill quack and Canada thistle, 972
Christmas comes to corn belt farms, when, 1779
husking for, 80
poem, 1777
Cigarets and dairymen, 534
Cistern water, keep from smelling, 1127
City or farm? 1373
Clay county fair, 1313
Clayton's first creamery, 1393
Clean soybean fields, 828
Clover, do your cattle bloat on sweet, 727
fails, why, 187
fair start for, a, 420
Legume contest for Iowa high schools, 683
red—Visits in country, 977
route to better crops, the, 369
seed—Visits to southeastern Iowa farms, 1297
Club show at Iowa fair, 1111
Coal operator presents plea, 587
Cocoanut and the cow, 288
Cod liver oil preparations, misbranded, 829
Cold radio tubes, 365
Colesburg, farmers' institute at, 261
Combating serious weeds, 1061
Combine, from sickle to, 1037
from sickle to cradle to, 1068
harvesting corn with a, 1369
harvesting proves practical, windrow method of, 62
harvests popcorn, 409
problems in middle-west, 749
Combines, tractors, graders, 271
Commercial corn winnings at Ames, 202
plant feed, the use of, 1660
Commission men's propaganda, 380
Communities are proud of them, their, 1424
Community contest entry, 374
Come to the Yellowstone, 197
Concrete mixing methods changed, 1085
surplus water weakens, 857
using field stones in, 892
work, still time to do, 1515
Congress gets ready for tariff battle, 727
Consolation for farmers from Philadelphia, 1204
Consolidation—Farm and business commend merger, 1426
Greater service to agriculture, 1421
Contagious scours in calves, 751
Contest—
Alfalfa, why you didn't get a stand, 790
Baby's schedule, your, 13
Breeder, silver trophy to champion, 151
Community entry, 374
Cooperative, does your look this well? 1121
Fertilizer experiences, 44
Fertilizer—Have you grown 12-cent corn? 158
Fertilizer—Names of winners, 413
